

## Sports Committee Roles 2024/25

Below are what each role encompasses. You must be enthusiastic about sports to apply for these roles. The 'rep' roles are for students who are part of particular clubs in that area. Officer roles are open for all but for people with particular skills. All roles will also represent the 'supporter' element of Sport Coventry.

**Competition Rep** This role is to represent students from the 'competition' element of Sport Coventry. They will bring key issues, changes and experiences from students within this remit and support the Sports Committee on all things competition. You will also support Sport Coventry in offering opportunities for supporters to get involved in your area.

### Performance Rep

The Performance rep role is to represent students from the 'performance sport' element of Sport Coventry. They will bring feedback around our performance sport programme (Team Phoenix) and also feedback from Sport Coventry Scholarship programme. You will also support Sport Coventry in offering opportunities for supporters to get involved in your area.

You must be a 1<sup>st</sup> team member of one of Sport Coventry's Performance Sports to be able to apply for this role.

## **Recreational Rep**

This role is to represent students from the 'recreational' area of Sport Coventry. They will bring back feedback around recreational sport and how we can improve our inter-mural and rock up and play offering at the university. You will also support Sport Coventry in offering opportunities for supporters to get involved in your area.

## **Sports Leadership Rep**

This role is to represent students around areas of coaching, refereeing or continued development of club activity. This student must have a coaching or refereeing qualification to be eligible for this role. You will also support Sport Coventry in offering opportunities for supporters to get involved in your area.

## **Campaigns Officer**

The Campaigns Officer is an individual who has passion and experience in running campaigns alongside the Activities Officer, for Sport Coventry. These could be Rainbow Laces, Black Lives Matter and much more.

This person must have experience in;

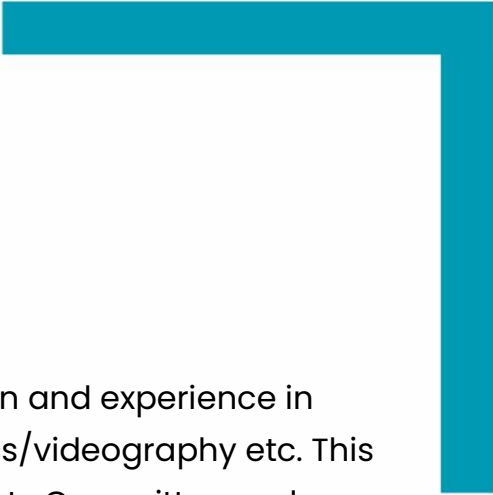

- Leading or being involved in campaigns
- Understand key issues involving campaigns at Coventry University - How to run inclusive campaigns for all students.

## **Events Officer**

The Events Officer is an individual who has a passion and experience in running the events which Sport Coventry run throughout the year. These events are Sports Fair, Varsity, Sports Ball and much more. This person will join these event's groups along with key stakeholders to improve the events success.

This person must have experience in;

- 
- Leading or being involved in events
  - How to run inclusive events for all students

## **Media Officer**

The Media Officer is an individual who has a passion and experience in running social media channels, creation of graphics/videography etc. This person will be the key connection between the sports Committee and Sports Coventry Media and report what the Sport Coventry Media group are up to and how they can support the Sport Coventry Committee throughout the year.

This person must have experience in;

- Use of Adobe Creative Cloud platforms including graphic design/videography and content creation.
- How to promote Sport Coventry activity in an inclusive way for all students

## **Belonging Officer**

The Belonging Officer is an individual who has a passion and experience in supporting physical and mental health wellbeing initiatives. This person will be the key connection between the Sports Committee and Your Students Union Wellbeing and Inclusion departments and work with other roles (like campaigns officer) to come out with initiatives to support Sports students wellbeing.

This person must have experience in.

- Physical and mental health wellbeing initiatives
  - Understanding of student's issues at university and come up with practical solutions to make them better.
  - How to run inclusive wellbeing initiatives for all students
-
